Subject: Label Amendment – Expand Spa sizes and add marketing claims  
Product Name: Spa Shock  
EPA Registration Number: 53735-12  
Application Date: October 9, 2017  
Decision Number: 535806

Dear Ms. Wacek:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

EPA Reg. No. 53735-12  
Decision No. 535806

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Wanda Henson by phone at (703) 308-6345, or via email at [henson.wanda@epa.gov](mailto:henson.wanda@epa.gov)

Sincerely,

A handwritten signature in blue ink that reads "Wanda G. Fuller, for". The signature is written in a cursive style.

# Spa Shock FOR SPAS AND HOT TUBS

Active Ingredient:

Sodium dichloro-s-triazinetriene. . . . . 33.0%  
Other Ingredients. . . . . 67.0%  
Total. . . . . 100.0%

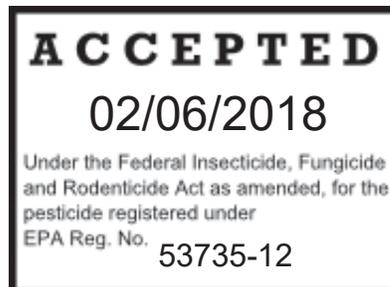

Available Chlorine 21.47%

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**{SEE FIRST AID AND ADDITIONAL PRECAUTIONARY  
STATEMENTS ON BACK PANEL}  
{See Enclosed Product Label for Complete Directions for Use}**

EPA Reg. No.: 53735-12  
EPA Est. No.: 57787-MI-1  
Distributed By: King Technology, Inc.  
530 11<sup>th</sup> Avenue South  
Hopkins, MN 55343  
Net Wt.: \_\_\_ ounces / \_\_\_ grams

**FIRST AID: If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If Swallowed:** Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

**{IN CASE OF MEDICAL EMERGENCY CALL 1-800-424-9300}**

**Product Description:** This product perfectly accompanies the {Spa Frog and @ease Floating System or In-Line System} {FROG {spa} {hot tub} sanitizing systems} by starting up a freshly filled {spa} {hot tub} with an initial chlorine level. The effervescent action helps the chlorine dissolve faster and the fizz tells you its working! For best results use Spa Shock after balancing the water and before using your {Spa Frog or @ease System} {FROG {spa} {hot tub} {sanitizing} system}.

**Directions for Use:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For Residential Use: To a freshly filled {spa{ {or} {hot tub} add one packet for up to {500} {600} gallons of {spa} [hot tub} water. After the product has bubbled for a few seconds turn on the high speed jets for one minute {or} until fully dissolved. Maintain a pH of between 7.2 and 7.8. {Test water with a pH Test Strip to see if desired level has been reached.}

{For periodic shocking, particularly during time of heavy use, add one packet per {500} {600} gallons when the water looks cloudy or as a maintenance dose every week. After the product has bubbled for a few seconds turn on the high speed jets for one minute {or} until fully dissolved.}

Test water with a {FROG Test Strip} {FROG or @ease Test Strip} {chlorine and pH Test Strip} to see if desired level {of chlorine and pH} has been reached. Reentry is prohibited above levels of 3 ppm chlorine due to risk of bodily injury.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal.

**Product Storage:** Keep this product dry in a tightly sealed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all material before discarding.

**Container Handling:** Non-refillable container. Do not reuse or refill empty container. Rinse thoroughly before discarding in trash.

## PRECAUTIONARY STATEMENTS:

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS: DANGER:** Corrosive: Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. May be fatal if inhaled. Do not breathe dust or vapors. Irritating to nose and throat. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, protective clothing and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the restroom. Remove and wash contaminated clothing before reuse.

**PHYSICAL OR CHEMICAL HAZARDS: Corrosive:** Strong oxidizing agent. Use only clean dry utensils. Mix only into water. Contamination with moisture, dirt, organic matter or other chemicals (including other {pool} {spa} {hot tub} chemicals) or any other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases and possible fire and explosion. Avoid any contact with flaming or burning material such as a lighted cigarette. Do not use this product in any [chlorinating] [dispensing] device, which has been used with any inorganic or unstabilized chlorinating compounds (e.g., calcium hypochlorite). Such use may cause fire or explosion.

### ENVIRONMENTAL HAZARD:

This pesticide is toxic to fish and aquatic organisms.

{**Note:** Buyer assumes all responsibility for safety and use not in accordance with directions.}

{**Notice:** Neither King Technology, Inc. nor the seller of this product can accept any responsibility where the product is not used according to directions and for the manner in which it was intended.}
